RE: Tungsten Mine
PRO/003/006
ACT

Dear Mr. Speth,

Please be reminded that, as a Mining Operation, you must file a Notice of Intention and Reclamation Plan with this Division under the Utah Mined Land Reclamation Act. You were informed of this requirement by a member of our staff during a telephone conversation of September 5, 1978. We have not as of yet received these forms, and it is necessary that we receive these forms so that you may conduct mining operations in compliance with the law.

We look forward to hearing from you in this matter in the near future.

Sincerely,

Ronald W. Daniels
